

South Cambridgeshire and Modern Councillor

South Cambridgeshire council has recently begun offering Modern Councillor to its Councillors. Read what Member Development Officer Guy Moodie thinks of the e-learning service provided by Learning Pool.

Where did you hear about Modern Councillor?

My council made me aware of the service by e-mail. I followed the links and used the login details sent to me and I have been using it ever since!

What course/s have you looked at?

I have taken all of the courses available from Modern Councillor and found them extremely useful.

In your opinion does this form of training have any benefits over classroom training?

Yes, e-learning allows me to train at anytime instead of a one or two day event every couple of months. E-learning suits me perfectly because it is almost impossible to free up enough time for classroom training.

I believe this form of training is the perfect option for busy councillors.

What do you think of the courses?

For new councillors the courses give fantastic background knowledge over key areas of interest and, for me personally, they worked well to top my existing knowledge.

Would you recommend Modern Councillor to another Councillor?

Yes, I certainly would. For new councillors this service will give them the knowledge they need very quickly and help them get up to speed in as short a time as possible.
